

Week 4 Term 2

6 May

Kia ora Koutou

I hope that you and your family are all well.

As I write this, I am sitting at school - it is very quiet and very chilly!

Our Home Learning continues this week with lots of exciting challenges, workshops and engaging activities. It was fabulous to celebrate some of our superstars in our virtual assembly on Monday. I hope that you enjoyed it.

As we come to another week in Alert Level 3, we look to what our Prime Minister will announce on Monday 11th in regard to Alert Level 2. As soon as we have been informed we will let our school community know.

Positive Behaviour for Learning PB4L

Our focus continues to be Respecting Others in Our Bubble...

This will look like -

- Stopping and looking at the person who is speaking
- Actively listen to the adults
- Doing what the adult asks the first time
- Respond appropriately to all adults in a polite manner
- Using the words - THANK YOU and PLEASE

[Sharing and Respecting Others](#)

[Bucket Filler Song](#)

Congratulations to our Kete Kids this week....

Justin, we are so impressed with how you are embracing your Distance Learning. You have been taking on our challenges and you look so happy in the process. Your big smile brings a smile to us too! Be proud, Justin.
