P B 4 L

This week we are continuing to build on our theme of "I am responsible for me".

In the learning spaces, ākonga will identify the difference between extrinsic and intrinsic rewards. They will discuss what is rewarding for them and how they feel when they make good choices and are responsible.

THIS WEEK'S KETE KIDS

TEOTEO

Willow, we are so impressed by your growth in confidence this term. You are sharing more of your ideas with others which shows you have been adding lots to your Knowledge Kete. Thank you for showing kindness and patience with others. You are valued for your calm and gentle nature but also for your cheeky fun side that comes out when you play! You should be so proud of the progress you are making in all 3 of your kete.

NGĀ MANU
NUI

Waylend, we love the way you share your ideas with others. You have such an inquisitive mind and you enrich everyone's learning. Thank you for being so focused in all your instructional groups and for always being prepared to take on new challenges with your learning. You are a kind friend in our learning space and go above and beyond to assist with jobs, including taking care of our plants. We are proud of the many ways you continue to add to your 3 Kete!

NGAHERE

Lukas, we have loved watching your confidence grow and the way you are contributing more to Ngahere. You have a kind heart and have oodles of respect for those around you. You are focused during learning time and are actively contributing in all your learning groups. Keep up the amazing mahi Lukas and your 3 kete will continue to shine brightly!

TE AWA

Cole, we appreciate your sensible nature and the quiet maturity you add to Te Awa. We notice how you use your initiative and help out around the classroom when there are jobs to do. We love your determination and hard working nature - it is a real asset to you and your learning! You come to school each day ready to learn and make the most of the opportunities given to you inside the classroom. Keep up the great work Cole!

AORAKI

Victoria, your constant smile and positive energy light up our classroom every day. You have a natural ability to uplift those around you, and it's inspiring to see you step into leadership roles with such confidence. Keep embracing your leadership skills and spreading your positivity—you're truly making a difference!

MILO SUPERSTARS

A lovely way to start our Friday mornings. Thanks for all your amazing mahi team!

SPOTLIGHT ON NGĀ MANU NUI

Some amazing animals crafted from clay by our Ngā Manu Nui ākonga. They are now creating a diorama of their habitats. We can't wait to see the final results!

A huge effort from all our Year 5-8 Poetry finalists last Wednesday. Thank you for an entertaining afternoon of fabulous performances. You have each added many skills to your Three Kete!

Southbrook Superstar

MR JENKINS

Where would we be without Mr Jenkins? He is our Number 1 handyman who has a range of skills that help to keep our school functional and safe. No task is too hard and his resourcefulness for solving problems is fantastic. Thank you Mr Jenkins for all you do for Southbrook School!

Tamariki helpers - We would love some Tamariki to be available for the official opening and the tours of the school for our past students and staff and guests who are coming along.

Red polo top - Would anyone have an old red polo top (prior to the 3 Kete design) that used to be part of the uniform, maybe an older sibling has kept one? We would love to borrow one to put on display.

If you are able to help with any of the above, please email jubilee@southbrook.school.nz
