

School Newsletter Term 1 Week 6 2025

Kia ora Koutou.

The weeks are flying by! It is fabulous to see our tamariki settled and embracing different opportunities - Bike Safety, Swimming sports, after school sport, roles around the school such as radio station and sport academy leaders AND of course heaps of learning.

On Monday the buddy classes spent time together - they had heaps of fun and it was great to see their Relationships Kete being added to.

This afternoon after school, we have an 'Open Day' at our place. Through our Puketeraki Kahui (Community of Learning), Kaiako from different schools are able to go and visit different North Canterbury schools. This is a great opportunity to build relationships with other Kaiako, to share what we are proud of at Southbrook and to learn from each other.

Great to see heaps of tamariki walking, scootering and biking to school each day!
