

Southbrook School news & celebrations Term 3 Week 2

Kia ora Koutou

Thank you for making time to come and meet with our fabulous teachers this week. I hope that you have had any questions answered and have a clear picture of how your child is adding to their Knowledge Kete and their next steps.

Thank you also to the amazing parents who have offered to help with our up and coming Production. If you would like to help, please go and see your child's teachers.

Have a great rest of the week.
