

Southbrook School news & celebrations Term 3 Week 7

Kia ora Koutou

We are feeling so proud of the whole Southbrook team - to see everyone's creativity during Production is just amazing.

Today our Children's University tamariki head off to University Campus for a day of learning and fun!

Over the 3 day weekend, the builders were in! We were one of the few schools in New Zealand who were chosen to work with the Government's 'walls back' pilot.

For Southbrook this looks likes -

- A partial wall and door for Aoraki leading into Mr Bell's space.
- Sliding doors in Ngā Manu Nui Learning Space to create a more flexible quiet teaching space.
- Sliding doors in Ngahere Learning Space to create a more flexible quiet teaching space.

Our next project will be putting in sliders in Te Awa Learning Space to create a more flexible quiet teaching space. This will most likely be funded through our 5YA monies.

Can I please remind you and your tamariki to please cross at the monitored crossings at home time. Please do not lead or encourage your children to run across the road between cars.

Thank you for your support.

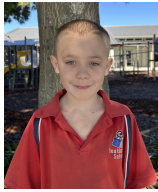

Ngā mihi nui
