

Southbrook School news & celebrations Term 3 Week 8

Kia ora Koutou

What a great week we had last week with Production - we are all feeling tired but very proud of everyone. Thank you to the whole Southbrook team for all the hard work to create a masterpiece! This week is slightly quieter at school with all our routines back in place.

Last week I posted the below note to one of our Learning Spaces. I think that it is important message for everyone who has a child with a phone / device -

We are noticing at the moment that the out of school use of technology - gaming, tic tok, snap chat and various other platforms are having an effect on some students.

Do you know what your child is doing on their device?

Do you know that your child is using their device in their bedroom late at night?

Please check in with your child as this is having a HUGE impact on their behaviour and work engagement at school.

We have also noticed that some students' wellbeing is quite low due to what is being said via devices.

Thank you for checking in with your child.

Looking forward to seeing you at the PTA quiz night - Saturday 19 September.
